Re: Governmental/Charitable Solicitation Application

ACTION REQUESTED OF THE BOARD OF ESTIMATES:

The Board is requested to endorse a Governmental/Charitable Solicitation Application for submission to the Board of Ethics of Baltimore City to allow Councilmember Zeke Cohen and staff to solicit donations to support the planning and execution of trauma informed care trainings in city agencies and in the community. The period of the campaign, pending Board approval, will be effective upon **Board approval to June 30, 2023.**

AMOUNT AND SOURCE OF MONEY:

No general funds will be used.

BACKGROUND AND EXPLANATION:

Donations will be solicited from Baltimore businesses, civic leaders, the foundation community, and the general population. A potential donor list will be composed of individuals, organizations, businesses, and foundations that contribute to the economic, social, and cultural vitality of Baltimore City. Most of the individual and corporate entities fitting that description are not controlled donors. However, those potential donors who are controlled donors with respect to the City Council or the Board of Estimates will not be targeted or singled out in any way and will be solicited, if at all, in the same manner as the other potential donors.

Healing City Baltimore (HCB) is a project and sustained movement of neighbors, united as a city-wide community, to engage in honest dialogue, learn from diverse perspectives, embrace our differences and commit to healing together as a foundation to pursuing a racially, socially and economically just and thriving Baltimore for all.

Healing City Baltimore has been designed to support a healing-centered, trauma-informed approach throughout our communities. From trauma-responsive policy, care and resources, to community-building events and engagement initiatives, we are uniting as a city-wide community, healing together, breaking down barriers and working in solidarity to build a better Baltimore.

Signed into law in February 2020, the Elijah Cummings Healing City Act established the Trauma Informed Care Task Force to develop and implement a strategy to dramatically reduce trauma across Baltimore. The Task Force is comprised of a diverse set of members, including physicians, beauticians, educators, elders, students, returning citizens, elected officials, and

healers. Those Task Force members were sworn in on February 15, 2021.

The Elijah Cummings Healing City Act also mandates trauma informed care training for all members of the Trauma Informed Care Task Force and at least two staff members from each City of Baltimore agency. Following the passage of the Elijah Cummings Healing City Act, many individual community members and community organizations have expressed interest in receiving trauma informed care training.

Councilmember Cohen and his staff intend to raise up to \$250,000 dollars in this campaign. These funds will pay to support the hiring of two staff members, and to support interns working on Healing City initiatives throughout the year.

Baltimore City Code Article 8, Section 6-26, prohibits solicitation or facilitating the solicitation of a gift. An exception was enacted in 2005 to permit certain solicitations that are for the benefit of an official governmental program or activity, or a City endorsed charitable function or activity. Ethics Regulation 96.26B sets out the standards for approval, which includes the requirement that the program, function or activity to be benefited and the proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

Part E. Fiscal Sponsor Person Responsible for Custody, Accounting, and Distribution of Donations

I. Disclose the person or persons within the distributing entity who will be responsible for fund distribution and accounting.

All cash disbursements are ultimately approved by Maryland Philanthropy Network (MPN) President, Maggie Osborn. Prior to her approval, disbursements are reviewed by at least two other staff members including Leah Abrams who serves as the organization's Accountant.

II. Describe how the funds will be held pending distribution, e.g., held in a trust or other dedicated account, in a general account, co-mingled with other funds, etc.

Funds will be held in the M&T Bank general operating account for Maryland Philanthropy Network. Cash is not segregated by bank account but is segregable via our accounting system.

III. What measures will be taken by the distributing entity to ensure that the donations will actually be used for the intended purpose?

MPN, acting as a good steward for funds contributed to the organization, is committed to ensuring that the funds are spent in an appropriate manner. The President will approve all applications for grant funds and will make certain that MPN staff fully understand donor requirements and expectations. The President and/or Program Director are responsible for ensuring MPN is in compliance with the grant conditions and scope of work. If changes are necessary and key deliverables are no longer feasible, either the President or Program Director will discuss the matter with the funder and document changes in writing. Interim and final reports will be presented to grantors on a timely basis.

Restricted grant income and expenses are tracked in MPN's chart of accounts. The President and/or Program Director will carefully monitor expenditures for restricted grant projects to ensure that total spending does not exceed grant revenues and that a grantor's funds are used only to support projects specified in, or appropriate under, the grant.

Regarding our Fiscally Hosted projects, the Network's internal evaluation includes:

- Affirming the interest and/or support of one or more Network members to fiscally host the proposed initiative.
- Affirming that the purpose and goals of the initiative align with our organizational values, mission and goals.
- Affirming that the initiative or organization has a clear and reliable governance or advisory structure.

- Affirming that the initiative or organization has sufficient initial funds to cover any costs that the Network will incur in providing services.
- Affirming that any related fundraising plan is well considered and realistic.
- Assessing and ensuring that a proposed initiative, viewed in conjunction with existing Network commitments, will not overextend the Network's human, physical or financial resources.
- Assessing and ensuring that the Network's staff, proposed partners, and/or consultants have sufficient capacity to effectively manage the initiative and/or provide the required services.

IV. What measures are in place to account for the donations? In the event that donations exceed the charitable need, please state how the additional funds will be allocated or dispersed.

Contributions and the related materials received with funds are reviewed, allocated and recorded on an ongoing basis. Documentation is reviewed for time and project restrictions imposed by the donor in order to determine the allocation to the appropriate project.

On a quarterly basis, the President and Program Directors monitor grants receivable for their program areas and are responsible for contacting granting organization for payment.

MPN will acknowledge all monetary and gifts in kind in writing within 30 days of receipt. The acknowledgement will include the amount and/or description of the gift or gift in kind as required by both federal and state laws.

If the donor's intent is unclear, the donor is contacted for clarification. If donations exceed charitable need, the donor is contacted to determine if they would like to redirect their funds to another purpose of their choosing or to have unspent funds returned.

V. Please provide details about the measures that will be taken by the distributing entity to ensure that controlled donors will not receive preferential treatment.

Due to the purpose of the funds being raised, there will be a limited number of vendors. Prior to cash disbursement, each vendor relationship will be reviewed by MPN Staff in order to identify any potential conflicts with donations received.

Further, the President is directed to refer questionable gifts to the Board of Directors for guidance on a case-by-case basis. MPN employees shall promptly bring to the attention of the President all donations.

MPN may elect to refuse offers of gifts of any type if the gift poses a conflict of interest or the appearance or perception of a conflict of interest.
