However, an exception exists that permits certain solicitations that are for the benefit of an official governmental program or activity, or for a City-endorsed charitable function or activity. *See* City Code, Art. 8, § 6-28. Ethics Regulation R 06.26.1.(B.) sets forth the standards for approval, including the requirement that the program, function, or activity to be benefited and the proposed solicitation campaign must be endorsed by the Board of Estimates or its designee.

Solicitations will support UNCF, which provides scholarships to students at Historically Black Colleges and Universities (HBCUs) in Baltimore.
