**Governmental/Charitable Gift Solicitation Waiver Application – Baltimore Guaranteed Income Pilot, Mayor’s Office of Children & Family Success:** The Chief of Policy & Partnerships in the Mayor’s Office of Children & Family Success, Lea Ferguson, provided an overview of the solicitation campaign, which involves the solicitation of both public funds and private donations that would be then distributed as direct, cash payments to select individuals. Vice Chair asked Ferguson how the donations would be solicited and documented, to which Ferguson responded stating that the solicitations would likely target large organizations and would involve sufficient documentation.

Board Member Hengerer requested that Ferguson share any additional parameters around direct solicitations and donations with the Ethics Board staff as the policies are developed.

Ferguson stated that it is likely that the solicitations will be completed and the final report will be prepared prior to the expiration of the campaign. She also stated that the national organization leading the initiative may direct donors to local projects when appropriate.

The Board approved the gift solicitation waiver application with a vote of 4-0.

**Governmental/Charitable Gift Solicitation Waiver Application – Holiday Toy Drive, Office of the Council President:** Director Hochstetler provided an overview of the gift solicitation campaign and explained that the Office of the Council President intends to solicit in-kind and monetary donations. Board Member Hengerer recommended that the fiscal sponsor must use an independent account for the monetary donations, not a “co-mingled” account, as indicated on the application.

The Board agreed to request additional information from the applicant, Aaron DeGraffenreidt, regarding the fiscal sponsor’s ability and willingness to dedicate a separate, independent account for any monetary donations. The Board will reevaluate the application following receipt of DeGraffenreidt’s response. Chair Fogleman suggested the Board could approve the application before the next meeting if it receives the relevant information.
